## CARRANZA'S TROOPERS THREATEN U. S. MEN

New Demand For Withdrawal Expected—Cavalry  
Crosses Border In Pursuit of Murder Bandits—  
Important Developments May Come Today.

Washington, May 9.—Renewed request for withdrawal of American expedition from Mexico was to be made by Mexican Ambassador Arredondo at an engagement this forenoon with Sec'y Lansing.

It was assumed he might make his request even stronger than heretofore by reason of reported threat of Gen. Obregon to use Carranza forces against American troops if withdrawal is not accomplished at once.

Washington, May 9.—Highly important developments in Mexican situation were expected today, following receipt of long code message from Gen. Scott and Funston early today. Importance was indicated by fact that Acting Chief of Staff Bliss

remained at war department until 3 a. m. to receive its contents.

Message was regarded as especially significant in view of border reports that Gen. Obregon had served notice on Scott and Funston that the further presence of Villa pursuers in Mexico would mean attack on them by Carranza troops.

Marathon, Tex., May 9.—American troops of 14th cavalry and Sheriff Walton's posse of cattlemen have crossed border into Mexico below Glenn Springs, Tex., to avenge raid of Friday night, according to advices reaching base of new expedition today. Ten Americans are missing. Two of whom have been officially reported killed, and troops are
